Education Programs and the Wisconsin Maritime Museum

The Wisconsin Maritime Museum offers a wide variety of quality educational programs for children and schools that are designed by licensed educators, meet state educational standards, and make learning fun!

Our education staff will work with your group to schedule a museum experience that can include one of our 30-minute educational programs, a tour of the submarine **USS COBIA**, guided tours of the museum, and time in the Waterways Room. We also provide pre- and post-visit activities that will enhance the educational value of your visit.

Choose a program to fit your curriculum!
