

Membership at the Wisconsin Maritime Museum

Thank you for your interest in supporting the Wisconsin Maritime Museum! Since 1968, support from members is the foundation of our success as one of the largest maritime museums on the Great Lakes.

Members directly empower us to offer exhibits and programming related to Great Lakes history, environmental education, and *USS Cobia*, the most historically accurate World War II submarine in the nation.

Members are paramount in our work to preserve artifacts and archival materials, create interactive exhibits, develop educational programs and events, and promote research. As a member, you help make this possible.
