

Busy Boats

Based on the book *Busy Boats* by Tony Mitton, we will find out what makes boats different from each other. We'll do some big boat puzzles and play "I Spy with my Eye" in our boat galleries.

We'll also splish-splash with boats in our Waterways Room!

This program meets Wisconsin Model Academic Standards for English A4.2, A4.3, C4.2, and C4.3.

Before you visit . . .

- Find books in your library about boats and ships, such as *The Boat Alphabet Book* by Jerry Pallotta.
- Invite a boat owner to your class to talk about boats and boating safety.
- Visit the website www.boatus.com/foundation/brochure for the "Hey, Kids! Let's go Boating" safety brochure
