

### **Cub Scout Academics Belt Loop: Collecting**

Whether you're just visiting for the day or participating in the overnight program, the Wisconsin Maritime Museum can assist Webelo Scouts in earning a Collecting Belt Loop.

To earn the Collecting Belt Loop, scouts must complete the following requirements:

1. Begin a collection of at least 10 items that all have something in common. Label the items and title your collection.
2. Display your collection at a pack or den meeting.
3. **Visit a show or museum that displays different collections:** While visiting the Wisconsin Maritime Museum, scouts can learn about our collections of ship models and maritime related artifacts. The scouts can also learn how to properly display and care for their collections.
