A Unique Setting for your Event

The Wisconsin Maritime Museum offers a variety of spaces that can be rented for private and public events, corporate meetings, celebrations and presentations.

Rental Spaces

We offer a variety of spaces that can be rented for small business meetings and presentations, to large parties, weddings, and reunions.

Roof Deck

The Roof Deck offers 3,100 square feet of outdoor space with a panoramic view of Lake Michigan and downtown Manitowoc. The Deck is ideal for ceremonies, parties, and receptions.

Board Room

The 400 square-foot board room offers a unique setting for events for up to 16 people, with panoramic lake and river views. Use this space for a business meeting or as a quiet area separate from a larger rental using the Riverview Room or Roof Deck.

Riverview Room

With 1,800 square feet that can be divided into up to three separate rooms, the Riverview Room can accommodate groups as large as 150 for theater-style presentations or up to 100 people for a catered event. With cutting edge technology, this space is ideal for presentations using multimedia. The Riverview Room is conveniently located on our main level and overlooks the Manitowoc River and USS *Cobia*.

USS Cobia Theater

The Theater features an audio-visual presentation system for groups up to 35 people.

No smoking or humidity releasing devices (outside of food service, beverages) are allowed in the museum, or any of the rental spaces. This is to protect the archives and collections of the Museum as smoke and excess humidity changes can damage many items in the Museum's care. Failure to comply will result in a \$250 fine charged to the primary renter.

Rental Extras

The museum has a small selection of chairs and tables that can be used during your rental at no additional charge. If we don't have something you want, you can supply your own or rent it. Food

The renter and/or caterer is responsible for all dining and serving utensils, and wait staff.

All food must be prepared in a licensed facility. This means either that it is a catered event, or all food must be purchased from a store and arrive in their original containers from that facility.

Below are a list of our preferred caterers, but if you already have one in mind, let the Rental Coordinator know who it will be.

All food must stay within the rental space. No food or beverages are allowed in the galleries, or display areas of the Museum.

Decorations

With restrictions, light decorations can be allowed. The Museum only provides the tables and chairs; everything else is the responsibility of the renter, whether they are purchased by the renter, or provided by the caterer.

No live or cut flowers, trees (any part including sticks, pine cones, leaves, etc.) or plants are allowed for decorations. Handheld bouquets, boutonnieres, and corsages may be excluded from this limitation if they are sourced from a florist approved by the Museum's Collections team.

Glitter and small confetti is not allowed.

Burning candles, including tea lights, are prohibited. The only flames allowed are sternos used for catering purposes.

Glass containers are not permitted on the Roof Deck. This includes, but is not limited to, dishes, food serving containers, and vases. Beverages in glass containers must be kept in the concession area and poured into a plastic cup for consumption on the Roof Deck.

Weather

The events on the Roof Deck are subject to moving into the Riverview Room due to inclement weather. If the renter does not suggest moving the event inside 4 hours prior to the event, the senior facilities staff is responsible for deciding if the event will be set up inside or outside. The Museum assumes no responsibility for damages, including damage to rental or personal equipment, arising from inclement weather.

Clean up

The renter is responsible for cleaning up their materials. If you brought it in, you will bring it out with you, aside from anything properly disposed of in the provided waste receptacles.

The senior museum staff member present will make the final decision whether a space has been sufficiently cleaned. If museum staff is required to clean at the end of the event, an additional minimum fee of \$150 will be assessed. Cleaning beyond emptying waste receptacles, table wipe-down, or other normal requirements will result in extra charges, e.g., cleaning of stained, soiled carpet. If such charges are assessed, the museum shall present the rental party with an itemized statement of such charges as a mailed invoice.

A Certificate of Liability Insurance may be required for events. Check with the Rental Coordinator if your event will need one.

Thank you for your interest in renting a space at the Wisconsin Maritime Museum. From weddings and birthdays to board meetings and corporate events, we look forward to customizing an event that fits your needs and budget.
