ABOUT THE MUSEUM

The Wisconsin Maritime Museum was founded more than 50 years ago as a small submariners' memorial that would recognize Wisconsin's contributions to World War II efforts. Since then, we have grown to be the state's maritime museum with exhibits on shipwrecks, maritime industry, ship models, art, and more. The institution is accredited by the American Alliance of Museums.

Our mission is to connect all people to Wisconsin's waterways through engaging exhibits, inclusive programs, and world-class collections.
